The mammograms are offered on a "Low Dose Unit" by a certified technologist and are read by a Board Certified Radiologist. A video presentation of breast self-exam is included in the 30-minute procedure. Services will be available to NASA civil servants in conjunction with the Federal Employees Health Program (FEHP) physical exam. Services are available to all other employees at a charge of \$60, payable at the time of services by cash or check. Insurance forms will be provided upon request. The mobile unit will be located in the southwest corner of the KSC Headquarters parking lot. Appointments are required and may be obtained by calling 1-800-367-1870. (JJ)

FEDERAL EMPLOYEE WORK-RELATED INJURY: Federal employees are reminded that they are responsible for notifying their supervisors and seeking first aid from the KSC Occupational Health Facility for any injury which occurs on the job. For more information, contact Jeri Huneycutt at 867-4786. (HM-A-3)

TSP ANIMATED CLIP: If you are eligible for TSP and still not participating, you may find it interesting to watch a 10-minute video being presented on NASA's Channel 60 each Tuesday at 11:00 a.m. and Wednesday at 12:30 p.m. If the time of showing should change, it will be reflected just like at home on cable—the bottom of the screen will have schedule times. (HM-A-3)

TSP OPEN SEASON: TSP Open Season began November 15, 1998, and will end January 31, 1999. For those eligible to participate, if you made an election between November 15 and January 2, 1999, that action was effective January 3, 1999. For actions received after that date, the effective date will be the beginning of the following pay period. You may choose to use either the TSP-1 Election Form **or** you may use the web site (<http://www.tsp.gov>), but DO NOT use both. If you do not have your TSP PIN Number, you may request a new one by using the web site or by calling 1-504-255-8777. (HM-A-3)

KSC LIBRARY: IEEE/IEE Electronic Library provides access to full page images of 120 journal titles, 600 conference proceeding titles and over 875 IEEE technical standards from 1988 to present. This service is made available by the NASA Scientific and Technical Information Program and is only accessible from NASA sites. Go to <http://www.sti.nasa.gov/STI-homepage.html> and scroll down the page to the STI Products section. Click on IEEE/IEE Electronic Library (IEL) link or go to <http://www.sti.nasa.gov/nasaonly/ielfram1.htm> which will take you directly to the site. Recommend you choose the non-Java pages option rather than the Java enabled pages. Search packages are available in the KSC Library, 867-3600. (FF-S2-A)

KSC LIBRARY: The following specification/standard is available in HQ, Room 1124, Library-D, or by calling 867-3613:

No other location is authorized to retain the government's idle property. This includes expendable items, as well as tagged equipment. For additional information on turn-in of excess property, see KHB 4000.1C, Part 8, Section 5, "Turn-In of Materials and Equipment." (LO-N1-D)

Transportation will be provided from 7:30 a.m. to 4:00 p.m., Monday through Friday, on an as-called basis. For additional information, call 867-2307, Equal Opportunity Office. (AJ)

RETIREMENT OF OFFICIAL RECORDS: Offices processing records for retirement are requested to prepare a KSC Form 16-349, "KSC Records Transmittal and Receipt," and forward it to the Records Management Office. An accession number will be assigned after a Records Management Review, which can be scheduled by calling 867-4544. (FF-S2-A)

COURT LEAVE: Title 5, U.S.C., Section 6322, authorizes court leave for employees who are summoned on behalf of any party in connection with any judicial proceeding to which the United States, the District of Columbia, or a State or local government is a party. It is official duty time when an employee is summoned or assigned to (1) testify or produce official records on behalf of the United States or District of Columbia, or (2) testify in his/her official capacity or produce official records on behalf of any other party. Service as a witness for a private party in any proceeding not involving any of the above Government entities as a party and not in an employee's official Government capacity requires the use of annual leave. (HM-A-3)

EARLY OPTIONAL RETIREMENT: Early Optional Retirement is effective through September 30, 1998. This authority was granted with the understanding that there would be no coercion of employees and that wherever possible, vacancies created by retirement will be used to ease the impact of organizational changes brought about through reinvention of the Federal Government. Employees who are at least 50 years of age and have completed 20 or more years of creditable service and employees who, regardless of age, have completed 25 or more years of creditable service are eligible for Early Optional Retirement. Annuities of CSRS employees under age 55 will be reduced by 1/6 of 1% for each full month they are under age 55. The annuity will not increase when age 55 is attained. To schedule an appointment, interested employees should contact Sharon Lowry, 867-2514, or Kathy McIntosh, 867-2504. (HM-A-3)

GSA VEHICLE USERS: NASA and Contractor employees are reminded that it is illegal to use GSA vehicles for personal reasons: visits to cafeterias, Credit Unions, Sundry Stores, or to supplement carpools. Use of vehicles owned/leased by the Government is restricted to Official Government business. (FF-S2-D)

CONFIDENTIAL FINANCIAL DISCLOSURE REPORT (OGE FORM) FILING: Those individuals reporting to a position for which there is a requirement for an initial and annual 450 filing are reminded the INITIAL filing must be completed no later than 30 days after reporting to that position. Forms are available from the Office of Chief Counsel by calling 867-2552. (AF)

KSC LIBRARY ARCHIVES: KMI 2240.1 establishes the KSC Library Archives. Supervisors are responsible to make files available to the KSC Library Archivist and to notify the Library Archivist prior to retiring or destroying documents or other materials which may be of enduring historical value. Of particular historical importance may be photographs, audio recordings, minutes of meetings, letters, memorandums for record, policy letters, directives, studies, special reports, maps, biographies, organization charts, and statistical tables. For information, call 867-2407. (FF-S2-A)

SICK LEAVE AND FAMILY/FRIENDLY LEAVE - DOCTOR'S CERTIFICATE: Reminder to supervisors and employees: A doctor's certificate (SF-71), or an individual note signed by the physician, is normally required for sick leave absences of more than 3 days. Employees, supervisors, and timekeepers should be aware that time and attendance cards must be initialed in cases where a doctor's certificate is not required. (HM-A-3)

YEAR 2000 COMPUTING PROBLEM: For many computer and software systems, the year 2000 will bring problems related to software programs that record the year using only the last two digits. At the stroke of midnight on December 31, 1999, there is a very real chance many of the world's computers will assume the year just starting is 1900. Application software such as spreadsheets and databases which run on individual PCs should be checked to ensure they will process date information correctly. For information, call 861-2000. (FF-S2-A)

FEDERAL EMPLOYEES HEALTH BENEFITS EXTENSION OF COVERAGE: The Federal Employees Health Benefits Amendments Act (PL 100-654) has provided separated employees, certain dependent children, and former spouses the option of keeping their Federal Employees Health Benefits (FEHB) plan for specified periods of time. Under the provisions, employees who leave the Government, either voluntarily or involuntarily, are eligible to continue FEHB coverage for 18 months if (1) the employee was enrolled in the FEHB at time of separation and; (2) the employee was NOT fired because of "gross misconduct." This includes employees who retire and are not eligible to continue FEHB coverage as annuitants. Children who become age 22 and ex-spouses may continue coverage for up to 36 months, provided they had coverage under a Federal employee at the time of the event. These individuals have continuation of coverage for 31 days at no cost to them. However, within 60 days of the event, they must submit paperwork to continue their FEHB. For more information, contact Jeri Huneycutt, (867-4786), or Kathy McIntosh (867-2504), Personnel Office Benefits Team, HQ, Room 1404. (HM-A-3)

EMAIL USERS: Email is an informal communication and is not to be used as the primary way to document official Agency business. Should official business be transacted using this system, hardcopy documents of the email messages must be produced along with transmission and receipt data, directories, and distribution lists. They must be filed, maintained, and disposed of in accordance with NPG 1441.1 (as revised), NASA Records Retention Schedule. After the hardcopy has been produced, messages may be deleted from the email system. For more information, see NASA Headquarters CIO Executive Notice 12-96, 2/20/96. (FF-S2-A)

TO ALL SUPERVISORS AND ALL EMPLOYEES REPRESENTED BY AFGE LOCAL 2498: New or revised NASA and KSC instructions which conflict with the Negotiated Agreement (Article VII) do not supersede the Agreement, unless they are required by law, Government-wide regulations, or any Agency rules or regulations for which a compelling need exists. Address questions to the Labor Management Relations Officer, HM-A-2, 867-3364, in advance of any proposed changes or publications. (HM-A-2)

ATTENTION ALL CIVIL SERVICE EMPLOYEES REPRESENTED BY AFGE LOCAL 2498: Employees represented by AFGE Local 2498 are advised of their right to union representation at any examination of them, in the unit, by a representative of the employer, in connection with an investigation if: (1) The employee reasonably believes that the examination may result in disciplinary action against the employee, and (2) the employee requests representation. This right is conferred by Section 7114 (a) (2) (B) and (3) of Chapter 71, Title 5, U.S.C., and is also contained in Article 4, Section 2, of the Negotiated Agreement. Under Article 5, Section 3, of the Agreement, the Union also has the right to be represented at any formal discussion between representatives of the employer and unit employees, or their representatives, concerning grievances, personnel policies or practices, or conditions of employment. (HM-A-3)

PEDESTRIAN SAFETY: Pedestrians crossing roadways on Kennedy Space Center are reminded to yield the right-of-way to all vehicles when crossing the roadway at a point not within a marked crosswalk. Motorists are reminded to yield the right-of-way to pedestrians crossing the roadway in a marked crosswalk when the pedestrian is on the half of the roadway the vehicle is traveling, or when the pedestrian is approaching so closely as to be in danger. (FF-S1)

SHUTTLE BUS CAUTION: Passengers exiting and crossing in front of Shuttle Buses are in danger of being struck by oncoming vehicles passing the stopped Shuttle Buses. Passengers are cautioned to be alert for oncoming traffic, and vehicle operators should use extreme caution when passing stopped Shuttle Buses and yield to pedestrians. (EI)

PRIVACY ACT: Under the Privacy Act, civil service employees may: (1) Determine if NASA has a record concerning you; (2) See your record; (3) Obtain a copy of your record; (4) Request that your record be amended or corrected; (5) File an appeal in the event the agency does not correct or amend your record as requested. For information, call the KSC Privacy Officer, 867-4540. (FF-S2-A)

FORMS CONTROL: Before you begin creation of a new or existing form, either a KSC form or other Agency form, consult the KSC Forms Control Office. All forms used at KSC must be approved by Forms Control **BEFORE** they are used. According to KMI 1420.1D, "Forms designed and used at KSC, including those by contractors, in the conduct of Government business will be centrally controlled and maintained by the KSC Forms Management Office to promote consistent quality, economy, and efficiency" as well as reducing redundancy. Forms Control presently handles over 3100 forms used at this Center. Many have been computer generated using various software common to KSC. Some forms may be similar to what you need, even if you think your application is unique. Forms Control personnel are proficient in applying your data collection information into the proper format to meet the required specifications. Contact your Forms Administrator or contact Forms Control at 867-3590, HQ, Room 1537 (across from the Post Office). (FF-S2-A)
